

13 Yacht Commandments

1. **Fire** We never leave the stove unattended
2. **Gas leaks** Follow gas procedure
3. **Hatches** Close them (or you will fall into the saloon)
4. **MOB** Should not happen
5. **Lifelines** Wear in “bad” weather, at night and when you want
6. **Lifejackets** Are useless unless worn
7. **Shoes** Wear them on deck and shore
8. **Boom** Mind everyone's head when Jibing
9. **Anchor windlass** Mind fingers and toes
10. **Winches** Mind your fingers
11. **Engine** Before touching, isolate and check the temperature
12. **Propeller** Isolate the engine before touching
13. **Collision** If in doubt, assume that risk of collision does exist
